

## Transportation

The nearest airport to Çeşme is the İzmir Adnan Menderes Airport, located about 53.7 miles (86.5 km) to the east of the venue. Once you arrive, the easiest way to Sheraton Çeşme Hotel is via the HAVAŞ bus, available at the arrival terminal. This bus will take you directly to the Çeşme Otogar bus station. Travel time is about one hour and cost is 25 TRY (\$9US/€8). From the bus station, a taxi or İlica dolmuş (minibus) will be available to take you to the hotel.

If you arranged for a private transfer service, a greeter will welcome you with a signboard as you exit the airport terminal. The greeter will direct you to your transportation connection. Be sure that you've sent your flight information to the secretariat.

**\*\*If you fly directly to Izmir, you will complete customs procedures and claim your baggage at İzmir Adnan Menderes Airport International Terminal. If you have a different connection in Turkey as a first stop (e.g., Istanbul, Ankara), you will need to complete visa and passport procedures without picking up your baggage. When you land in Izmir, you should follow signs to the "International Exit," NOT the "Domestic Exit" to pick up your baggage and complete customs. Please note that when you leave the airplane there will be THY crew on hand to direct you to the International Exit.**
