

**SEG  
2018**

Metals, Minerals, and Society

Keystone, Colorado, USA  
September 22-25, 2018

## SEG 2018 Workshop Schedule (Preliminary)

### WS02 - Introduction to Geology-Driven Resource Domaining and Modeling

[www.seg2018.org/workshops.html#2](http://www.seg2018.org/workshops.html#2)

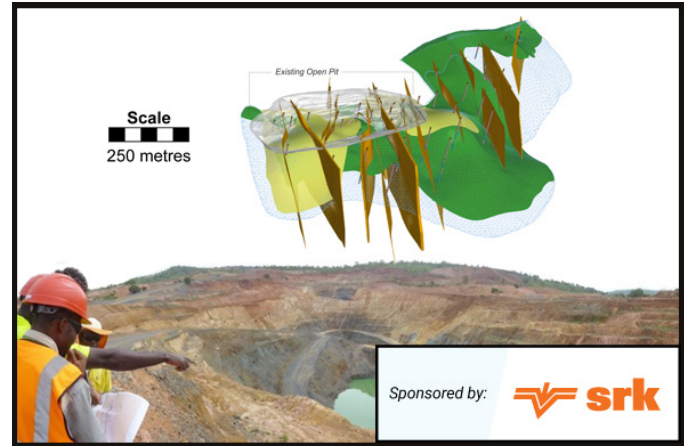

**Date:** September 21-22, 2018

**Location:** Keystone Conference Center

**Presenter:** Matt Hastings, Anna Kutkiewicz

Students will not exceed 20% of total participants.

\*Workshop organizer.

### Schedule

#### Day 1 - Friday, September 21, 2018

- 8:30am - 8:35am: Introduction
- 8:35am - 10:30am: Introduction to geological domaining theory, part 1
- 10:30am - 11:00am: Break
- 11:00am - 12:00pm: Introduction to geological domaining theory, part 2
- 12:00pm - 1:30pm: Lunch
- 1:30pm - 3:00pm: Hands on model construction in Leapfrog of porphyry copper models using geological input
- 3:00pm - 3:30pm: Break
- 3:30pm - 5:30pm: Porphyry model construction continued

#### Day 2 - Saturday, September 22, 2018

- 8:30am - 10:30am: Hands on model construction of orogenic gold deposits with a focus on structural inputs, part 1
- 10:30am - 11:00am: Break
- 11:00am - 12:00pm: Hands on model construction of orogenic gold deposits with a focus on structural inputs, part 2
- 12:00pm - 1:30pm: Lunch
- 1:30pm - 3:00pm: Hands on model construction of orogenic gold deposits with a focus on structural inputs, part 3
- 3:00pm - 3:30pm: Break
- 3:30pm - 5:25pm: Hands on model construction of orogenic gold deposits with a focus on structural inputs, part 3
- 5:25pm - 5:30pm: Closing comments
